FOREWORD

Life is a complex series of events which each of us views in his own way. Thus, each student here at Northwest Missouri State College sees his duties and goals in a different perspective. As freshmen, our impressions of college life are rather blurred and confused. As sophomores and juniors, we have erased some of the doubts and fears through our experiences and renewed perspectives. As seniors, we feel at last that our individual goals have been reached and that we may envision life's complexities in a more realistic manner.

Although each of us is an individual, one can see a definite human unity in the years that we students share while in college. We are united through the "awareness" of a well-informed student body, the "depth" of our spiritual organizations, the "action" created by our athletic participation, and the "balance" which can be achieved by active participation in various social functions.

Consequently, though our expectations and aspirations differ, we all have the common desire to achieve a realistic perspective about the world awaiting us.

A dimension of any college is its outstanding professors, those whose office doors are open to students at any hour, whose kindness, personal values, and dedication to their profession inspire students and faculty alike year after year, who by their example provide continual encouragement, and for whom it is always a privilege to help another human being. Such a person we have chosen to honor: a man who for twenty-one years has been a member of the Northwest Missouri State College faculty; a man who has served on the faculty council; a man whose classroom instruction has always been of the finest quality; a man whose unobtrusive actions behind the scenes of classes in the business department have taken burdens from the shoulders of countless students as he opened his office doors to students of all major fields when they needed advice, encouragement, or just a friendly ear; a man who, by his quiet example, is endeared to all who know him.

To Clifford Kensinger, we, the TOWER staff of 1967, dedicate this yearbook.

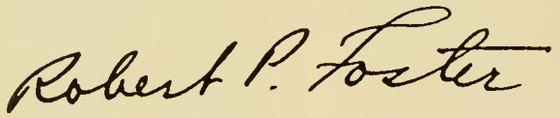

TO THE 1966-67 STUDENTS OF THE
NORTHWEST MISSOURI STATE COLLEGE:

Viewing our student body from the perspective of a college president, there appears to be a high degree of certainty that most of our students are destined to assume roles of leadership. What a privilege it is to be alive at this wondrous time and to participate in decision making that will effect changes in the whole globe structure.

The entire world is in the throes of social and political revolution, knowledge is proliferating at astronomical rates, and leadership is faced with challenges never before encountered: These conditions are so obvious that they seem platitudinous, but they are nevertheless true. Because this college and others like it are charged with the responsibility of preparing leaders to cope with the multifarious and sophisticated problems inherent in our generation and generations to come, it is incumbent upon this college to give perspective to these future leaders. In my judgment all students must be deeply aware of the trials in their lives ahead; they must be deeply aware of their heritage in order to see these trials in perspective. Students must perceive the rationale, the virtue, the stability in a broad balance between the various components determining their total abilities. If our leadership is to succeed, indeed, if our civilization is to prevail, a depth of moral, spiritual, and ethical perception must be regenerated throughout the world.

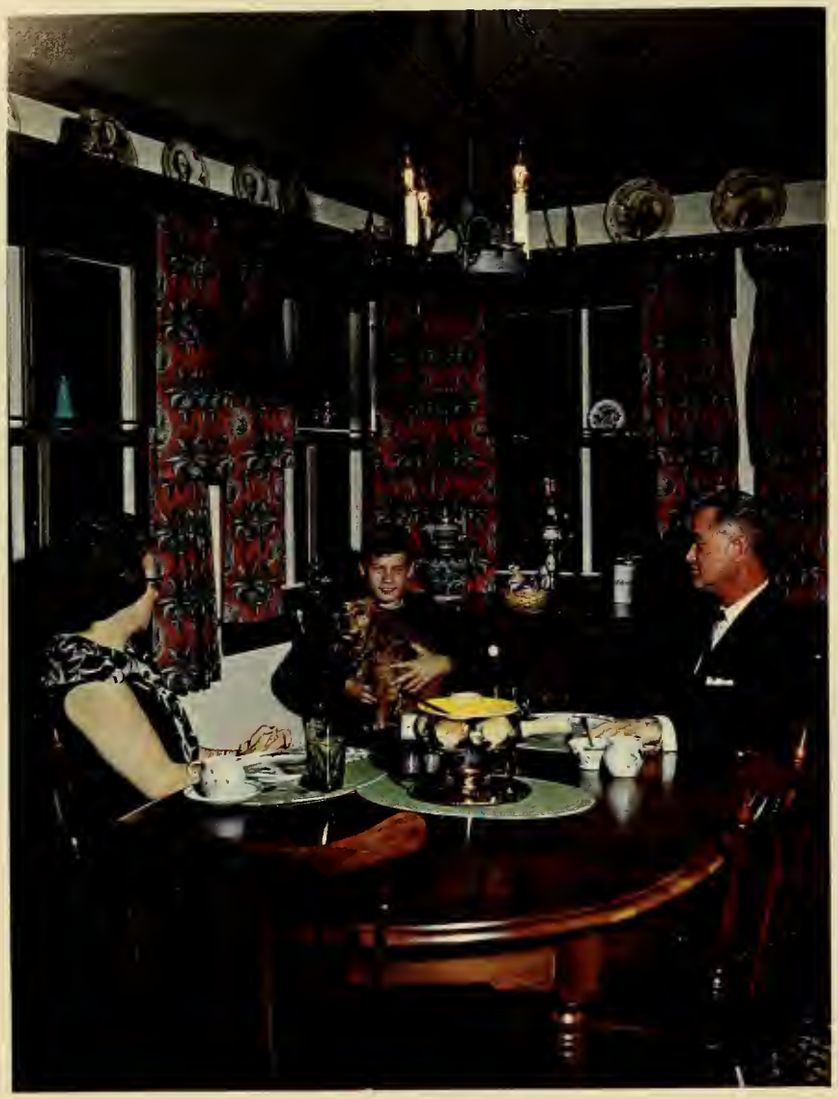

I am committed to the belief, however, that whatever the demands may be your generation has the fiber and the fortitude to make the correct decisions. I believe, further, that because you will have the perspective to make the correct decisions the world will be made a far better place for your having been here.

VICTORIAN HOME KEPT ALIVE BY PRESIDENT FOSTER AND HIS FAMILY

President and Mrs. Foster relax in their new kitchen.

In 1857 land was purchased which was to be used for a nursery, but in 1870 a two-story home was built on the property by Captain Thomas Gaunt. Today, almost a century later, this home is still kept alive by the warmth and laughter of a modern family, President and Mrs. Robert P. Foster and their two sons, Robert III and Kemp.

Before the family could move into the old house, however, some changes had to be made. Original plans for remodeling the kitchen snowballed until the entire house had been redecorated. Kansas City interior designer, Jack Rees, helped make changes in a few doors and windows which gave the new kitchen and dining room a cheerful and bright atmosphere. His and her dressing rooms were made from an upstairs sleeping porch and sitting room.

The structure is kept young by the light, dignified decor. Although some of the furniture is rather formal and stiff Victorian, the walls of the parlor, music room and dining room are lovely blue-and-white striped wallpaper which is accented by sparkling crystal chandeliers. The home's furnishing include a Knabe piano more than 100 years old, Victorian open-back chairs with blue velvet seats, and two transitional Chippendale chairs.

Especially charming is the remodeled kitchen which boasts of a range which serves as a room divider, an island counter on wheels, laundry facilities behind sliding oak doors, brick-patterned tile on the floors, and a built in buffet. In contrast to this room is Dr. Foster's study with its deep blue walls and white window seats and wood paneling.

Since the time the renovation was completed, hundreds of enthusiastic visitors have toured the lovely old home. The dwelling is a landmark not only to the Northwest Missouri State College campus, but to all of the state. Its walls echo with history, and its age will always be overcome by its grand dignity.

Gracious living is second nature in the Foster household.

The "Lincoln" bedroom displays many of the Victorian qualities for which the house is famous.

This lovely living room is a delight to all guests who visit the Foster home.

Our guides...through them we attain the knowledge to challenge the future.

They have undertaken the huge task of transferring their knowledge to the leaders of tomorrow.

OFFICE OF THE PRESIDENT
EMERITUS

Miss Nancy L. Boyd,
Editor, 1967 TOWER,
Northwest Missouri State College.

Dear Miss Boyd:

Thank you for the invitation to write a brief letter for your 1967 TOWER. The information that I have seems to me to indicate that the 1967 TOWER will be an outstanding publication of considerable interest to the student body and a credit to the leadership which you are giving to the staff in its production.

The perspective of anything is conditioned to a very large extent by the point of view and the experience one has had with those things which are in view. The TOWER is a reflection of current college activities especially as it deals with the major aspects of college life which you are planning to include in the book.

I trust that the student body will recognize the opportunities at the Northwest Missouri State College to grow from their youthful point of view as Freshmen into the maturity that should characterize Seniors. The record in the 1967 TOWER indicates that such maturity is being developed.

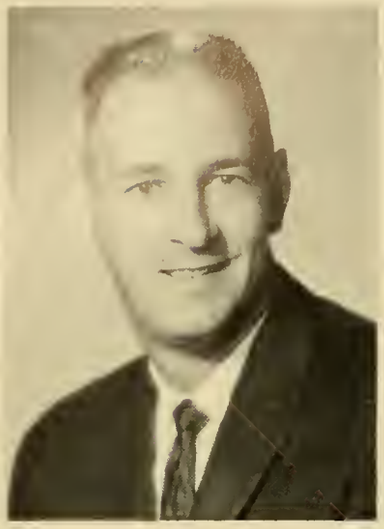

The students and the total college should be— and I am sure they are— very proud of this record.

Very truly yours,

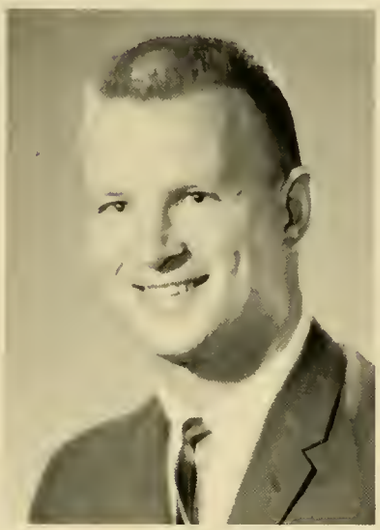

J. W. Jones
President emeritus

STUDENT BODY

AWARENESS

The student body is what makes a college campus exhilarating. Each of us is unique in his own way, and our combined personalities and interests make us eager to become aware of the world around us. Youth is impatient and eager to learn and question. Through our educational endeavors, we hope to challenge what lies in the past and in the future as we gain new perspectives and, thus, gain a better understanding of ourselves.

ALMA MATER

Let your voices loudly ringing,
Echo far and near.
Songs of praise thy children singing
To thy mem'ry dear.

Alma Mater! Alma Mater!
Tender, fair and true;
Grateful sons with love unfailing
All their vows renew.

Years may dim our recollection,
Time its change may bring,
Still thy name in fond affection,
Evermore we'll sing.

Alma Mater! Alma Mater!
Tender, fair and true;
Grateful sons with love unfailing
All their vows renew.

SOCIAL

BALANCE

Through the well-rounded social functions available to the students on this campus, each of us has an opportunity and a duty to himself to achieve balance through participation. A complex society awaits us, and we must be prepared to face it with courage, tolerant attitudes, and realistic perspectives.

We learn about ourselves

through our relationships with others.

Our actions today will determine our personalities tomorrow.

Lasting friendships and love blossom from chance meetings and life-long acquaintances.

The security of home disappears

when our new life begins.

We are involved in a never-ending search for identity and a realistic place in today's society.

THE EXCITEMENT OF SPRING AND

Lamkin gymnasium is filled to capacity with emotion, memories, relatives, friends, faculty, and students who have completed their work towards various degrees.

The Northwest Missouri State College Board of Regents, Deans, and President stand to begin the commencement exercises.

A happy graduate receives her diploma and a congratulatory handshake from President Foster as Dean Thate announces the candidates for degrees.

SUMMER COMMENCEMENTS

Tense and eager, the summer class of 1966 stand as they are presented to the public for recognition.

The commencement address was given by Russell Hamilton, project engineer for the Ford Motor Company and an NWMSC alumnus.

A solemn moment or two inevitably precedes the joys of commencement.

TRADITION CHANGED AS WA

Though temperatures were far below normal and the wind was fierce, several students ended up in the icy pond during the canoe jousting.

No matter what direction the poor greased pig turned, he was surrounded by enthusiastic college students.

AS WALKOUT DAY MOVES TO SPRING

The mellow sounds of the Brothers Four kept students enchanted for hours.

The young group of singers put their hearts and souls into their song which greatly appealed to the students.

The annual walk-out day saw the latest dance craze being skillfully demonstrated.

The Gentrys provided swinging music to round out the walk-out day activities.

TALENT AND BEAUTY SOUGHT IN MISS MARYVILLE PAGEANT

Queen Gayle and first and second runners-up, Terry Crain and Toni Johnson, smile happily for photographers after the finals.

Gayle demonstrated her lovely voice with a song from "My Fair Lady."

Gayle Bradfield, Sara Copman, Terry Crain, Toni Johnson, and Diana Wiley were the five lovely and excited finalists.

UGLY MAN CARNIVAL INCREASES STUDENT LOAN FUND

Exultant Phi Sigs carry Ron Scott to the platform as Ugliest Man on Campus in the student division.

Bruce Wake receives the plaque from APO emcee Don Kinker on behalf of his candidate, faculty member Robert Nagle, sponsored by the men's residence hall council.

Winning skit in the variety show competition was this Tri Sig fantasy, complete with a shaving cream fight.

Second place in the variety show was won by the DZ skit, a take-off on Batman.

UMOC

One of the more pleasurable booths for males was the one on which Ron Scott is so intent.

NWMSC wearing apparel of the future was the theme of the Phi Sig skit.

A glimpse into the future was used by SNEA in this UMOC booth.

Getting back at counselors was the rare privilege of women in the residence halls.

This A-Go-Go booth attracted many dance enthusiasts.

VIRTUOSO VIOLINIST PAUL DOKTOR PERFORMS

Great talent is exhibited as the violinist's concentration carries him into a musical world of his own.

This Viennese violinist began studying at the age of five and was the first and only violinist to win the first prize at the International Music competition in Geneva.

Mr. Doktor gained respect from both students and faculty with his amazing ability to present an entire concert with only the aid of accompanists.

EMILY GENAUER LECTURES FOR ARTISTS

The audience seems to be in a fascinated daze as they listen to Miss Genauer lecture on art.

Miss Genauer, chief art critic for the New York Herald-Tribune, gave a witty and stimulating lecture.

In her lecture she emphasized that one does not have to possess artistic talent to appreciate art.

Among Miss Genauer's many admirers was Miss Olive DeLuce, chairman emeritus of the MSC art department and one of the founders of the College Art Conference.

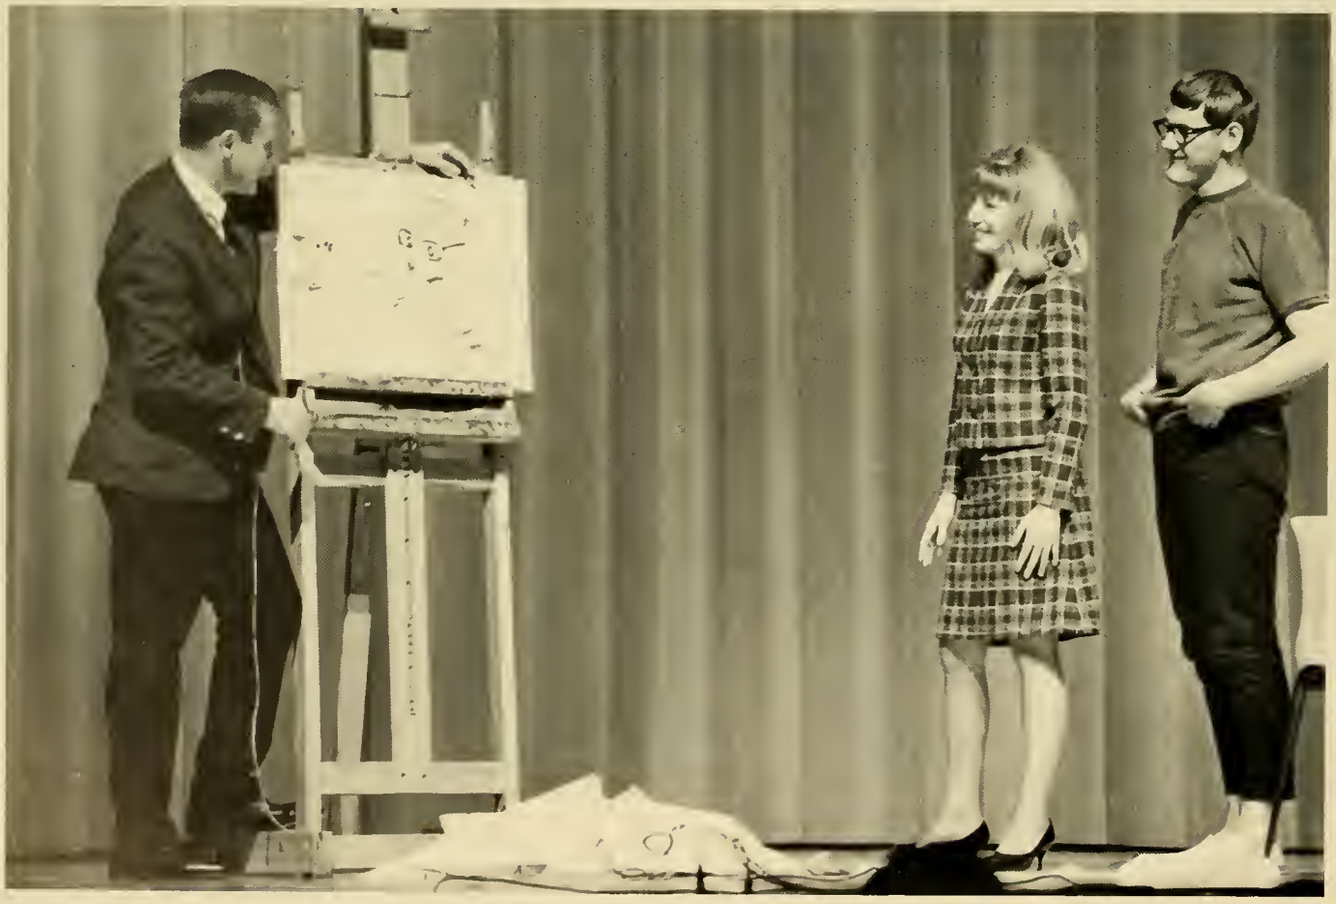

BILL SANDERS DEMONSTRATES CARTOON APPEAL

An idea is beginning to take form as guest cartoonist Bill Sanders displays his skill with artist tools.

GREEN BERETS LECTURE ON CAMPUS

One of the Green Berets demonstrates his great karate ability to an amazed audience.

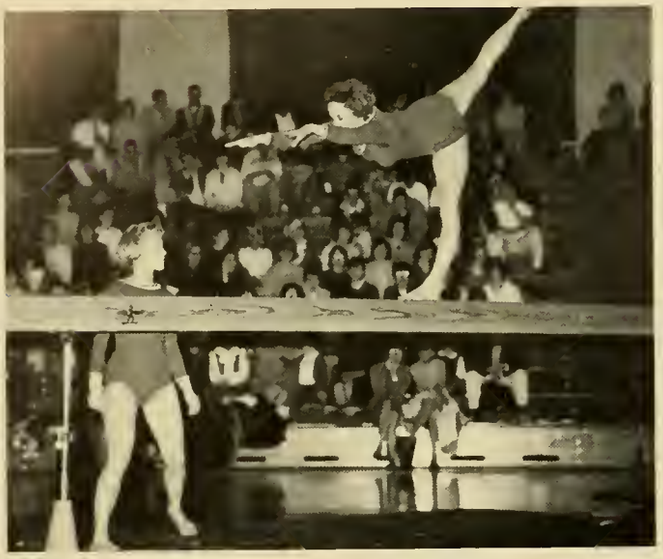

Extreme concentration and co-ordination are of great importance in practicing karate.

The lecture given by this Green Beret made a lasting impression on the entire student body.

SWEEDISH GYMNASTS SHOW SKILLS

An amazing sense of balance was demonstrated in this particular feat.

The audience was held spellbound as these young Swedish women performed unbelievable stunts.

HARLEM GLOBETROTTERS DELIGHT CROWDS

This poor basketball player seems stunned as a Harlem Globetrotter skillfully steals the ball.

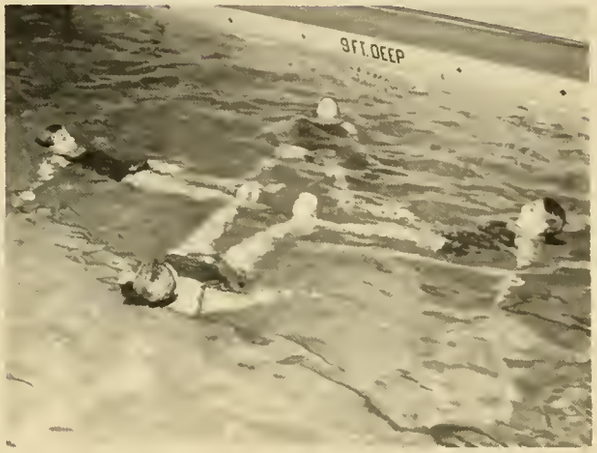

Rules are no longer a part of the game when the Globetrotters invade the court.

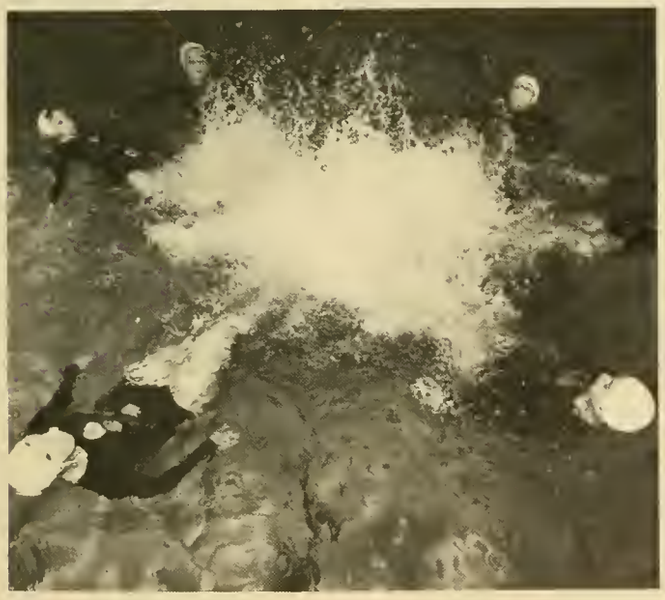

DOLPHINS PRESENT SWIM SHOW

Reanne Johnston, Kerry Henry, Virginia Bright, and Sondra Simons pose prettily before their performance.

Teamwork, concentration, and timing are an important part of this swim scene.

Beauty is achieved through balance and rhythm in this water ballet.

Karen Wilson, Patty Chappell, and Elaine Murray strike a military pose in their swim show costumes.

MSC CONCERT BAND PERFORMS AFTER TOUR

In their final performances, the MSC concert band played numbers ranging from baroque classics to contemporary styles.

The band entertained audiences with the most challenging music they had ever tried.

GREENWICH MUSICIANS THRILL EXPECTANT AUDIENCE

Frank Roane captured the hearts of his audience with his forceful voice.

Students were thrilled with this number from "Porgy and Bess."

FRESHMAN PRE - REGISTRATION EASES SOME OF THE USUAL STRAIN

Upperclassmen spent hours arranging schedules.

Lamkin gym becomes a melee of students about to begin a new year with a new set of classes.

Registration means, for many, waiting frustrating minutes or hours in long lines.

The most difficult part is behind when students arrive at the last table to pay their fees.

STUDENT LEADERS ORGANIZE NEW FRESHMAN ORIENTATION PROGRAM

Campus tours were aimed to acquaint new students with the campus.

A tired orientation leader, Ed Lambright, wonders at the end of a busy day whether the new orientation would be of lasting value to the freshmen.

AWS DAD'S DAY A BIG SUCCESS

Gloria Kachulis presented a half-time show at the big football game for the fathers and sons.

Father of the Year award was won by William Lambright. AWS president Kay Elder and Marty Geyer presented the honor to Mr. Lambright and his son Ed.

VALERY TARSUS TELLS OF LIFE INSIDE THE USSR

Valery Tarsus, famed Russian novelist, relates the story of his exile.

Valery Tarsus prepares for his lecture.

Culture at MSC

The students of Northwest Missouri State College have been privileged this year to have the opportunities to enrich their cultural experiences.

Paul Doktor, world-renowned concert violinist, played for MSC audiences and helped students realize the effort that creates a true artist such as Mr. Doktor.

In contrast to the Doktor concert, Bill Sanders gave a lecture on the political use of cartoons in contemporary journalism. Mr. Sanders is a popular artist with the Kansas City Star, and his "off-the cuff" sketches delighted faculty and students.

Most students were amazed at the dexterity of the Swedish gymnasts. These young Scandinavian women thrilled the audience with their performance of skilled precision. After the show, students and faculty had an opportunity to meet the gymnasts at a reception in the J. W. Jones Union.

Within two months, MSC students had the opportunity to see two famous operas, presented by the Kansas City Lyric Opera. "Faust" and "The Marriage of Figaro" were presented to standing-room-only crowds as students took full advantage of the chances to see English-sung operas.

Of an entirely different nature was the series of lectures presented by the team of Green Berets. Their feats of strength in karate and judo amazed the students, as well as the discovery that Green Berets must also possess outstanding intellectual abilities.

When Paul Engle, noted midwestern poet, visited MSC a reception was held for him in Roberta Hall. English majors and instructors were particularly impressed with his informal style and enthusiasm.

Emily Genauer, art critic of international fame, lectured for art students, who were impressed with her versatility and knowledge in many different areas.

Valery Tarsus, author and politician who was exiled from Russia for his outspoken views, enthralled students with his descriptions of what it is like inside the USSR and his tale of being kept as a political prisoner inside a sanitarium where only one out of every forty-nine inmates were actually insane.

The opportunities for enrichment were many: beyond those already mentioned, students viewed the Kansas City Philharmonic; the American Folk Ballet gave an outstanding performance; the MSC drama department put on close to ten plays; the music department gave classical and jazz concerts plus many recitals; and the Union Board sponsored top-name entertainers for concerts and dances. Those who took advantage of these fine opportunities have broadened their cultural interests and backgrounds.

MARION WILLIAMS CONCERT A SUCCESS

Marion Williams with accompanists brings down the house in one of several modern jazz numbers.

DAVID, DELLA ROSA, AND BROOKS PERFORM

Hod David and Diane Della Rosa blend their voices to sing lively folk songs.

The Brooks third of the trio establishes audience rapport with his intensity.

Intricate solo work such as that of this guitarist won the interest of the audience.

Heart and soul is shown in the expressions of these Singers.

The entire group combines their diverse talents to entertain Bearcats in a rousing number.

NEW CHRISTY MINSTRELS WIN STANDING OVATIONS

The Minstrels take time out backstage to pose for this group shot in good humor after a long and successful show.

The moving voice of this Christy Minstrel helped win standing ovations for the group.

One of the most fascinating characteristics of the New Christy Minstrels is their technique of harmony, blending strong and beautifully into their popular songs.

The long lines and frustrations of registration are a necessary part of enrollment at MSC.

ADMINISTRATION

BILLY MAY PLAYS FOR CHRISTMAS DANCE

Romantic sounds filled Lamkin Gym with the Billy May Band.

A festive spirit made the atmosphere of Christmas come alive.

The huge tree in the center of the dance floor attracted much attention and admiration.

This unforgettable scene caught souvenir-hunters stripping most of the larger decorations before the dance ended.

HANGING OF THE GREENS

Miss Gano Whetstone, Spirit of Christmas 1966

The Morris stick dancers delighted the audience with their traditional performance.

Bearers of the Green were Mary Pettegrew, Joyce Cushing, Phyllis Brown, Sara Copman, Sharon Gabel, and DeAnn Bowers.

FATHER OF THE YEAR

William Lambright

SPONSORING SON

Ed Lambright

Diana Jansen, Phil Reser, Tom LaVille, Jim Graham star in "The Physician in Spite of Himself."

ONE-ACT PLAYS

"The Physician in Spite of Himself," by Moliere, is a social satire criticizing the medical quackery of the seventeenth century. The story involves a common woodcutter who is mistaken for a miraculous healer. The other play, William Saroyan's "Hello Out There" is a modern drama depicting the agony of being alone.

Joe Maltsberger, Nick Erganian, and Janice Couch act in Saroyan's "Hello Out There."

Sara Copman, Joe Maltsberger, Doris Wilson, Nick Erganian, Tom O'Connor, and Carole Sinclair star in "Dirty Work at the Crossroads."

DIRTY WORK AT THE CROSSROADS

"Dirty Work at the Crossroads" or "Tempted, Tried, and True" is a melodrama in the traditional style. The characters are typical stereotypes: the heroine is pure, the hero is brave, the villain is mean. The audience literally participates actively during the course of the play by booing, hissing, and calling names at the villain, and cheering the hero. The plot is classic: boy wants girl, boy gets girl, boy loses girl, boy regains girl but still loves his horse best of all.

Beverly Schwartz, Doris Wilson, Judy McGinnis, Cheryl Reineke, Joe Maltsberger, Sara Copman, and Tom O'Connor in a scene from "Dirty Work at the Crossroads."

Margaret Price, Tom LaVille, and David Shestak had the lead roles in "Our Town."

OUR TOWN

More than just a timeless tale of every town everywhere, Thornton Wilder's "Our Town" is a story of life, love, and death, the most important concerns anyone has.

The entire cast assembled for the wedding of George Gibbs and Emily Webb.

THE SNOW QUEEN

Hans Christian Anderson's "Snow Queen" is a beautiful fairy tale of a girl's search for her kidnapped brother. This play was a children's theater production presented by the college drama department in conjunction with the Nodaway Council of Fine Arts. The play was directed by Ron Wilson.

Betsy Bouska, Tom O'Connor, Merrilee Crockett, Ron Weininger, Rollie Stadlman, Cheryl Reineke, Gail Bullis, and Ann Nielson perform in "Picnic."

PICNIC

In the William Inge drama, "Picnic," the main characters never get to the picnic at all but stay behind to find life.

After drinking bootleg whiskey, the old maid schoolteacher throws herself at Hal. Starring are Richard Heinz, Merrilee Crockett, Nick Erganian, and Cheryl Reineke.

CAROUSEL PREPARATIONS

Maggie Price, Mr. Lafferty, Linda Sorenson, and Bill Coucar get stiff arms and painted hands while building sets for "Carousel."

Two "Carousel" dancers rehearse.

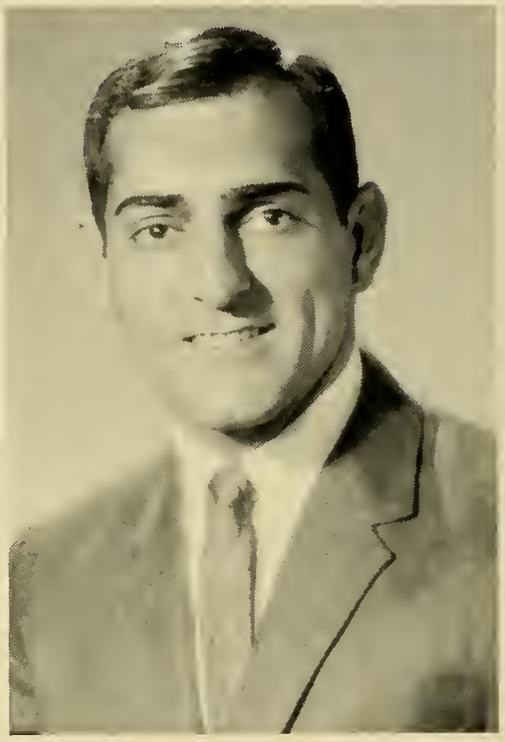

Drama Club members hard at work, as usual.

Terrie Starkovitch makes use of her talent in "Carousel."

A LETTER FROM THE STUDENT-BODY PRESIDENT

NSHAN "NICK" ERGANIAN
Student Body President

It is difficult for a person to elaborate on the total life of a college student because of the various activities and interests that combine to form the total picture of campus life. At Northwest Missouri State, a student's perspective of college life is possibly built around the four cornerstones of awareness, balance, action, and depth. Each requires a very special type of individual--a person who seeks to increase his background of knowledge and intelligence.

A student must be aware of campus life and college activities as well as keeping up with studies in order to make college a thoroughly complete experience. Balance comes from an understanding of the schools and student's objectives to bring about a high caliber of education. Action is the initiative that the student takes to become a part of the college and in combining with the other cornerstones, the perspective of college life becomes a picture with all component parts in proportion.

Thus, through awareness, balance, action, and depth we become college students----in search of education and life.

Sincerely,

Nick Erganian

Student Senate President

STUDENT SENATE WORKS ON CONSTITUTION REVISION

FIRST ROW: Jan Gray; Steve Lloyd; Nick Erganian, President; Cheri Jordan. SECOND ROW: Lonita Hersh; Kris Johnston; Rosanne Bartlett, Recording Secretary; Rod Beem; Mary Schulenberg, Corresponding Secretary. THIRD ROW: Roger Schlegel, Vice President; Ed Lambright; Fred Lazear.

Nick Erganian, President of the Student Government Association, is on duty at the polls as students cast their votes.

Under the leadership of President Nick Erganian, the Student Senate represents and advises the student body. In an attempt to share ideas on student government and leadership, ten delegates were sent to the Kansas City Regional Council on Higher Education in Camdenton, Mo. The representatives profited greatly from the discussions and conferences which they attended at Windermere Baptist Camp.

Because of the rapid growth of Northwest Missouri State College, the Senate is working on a complete revision of its constitution which will hopefully give better representation to each student on campus. The proposed revision will increase the Senate's membership from fourteen members to twenty-four members.

Regular Thursday afternoon meetings were held to keep the students well-informed on campus affairs. The minutes of each meeting were published in the college newspaper so that each student would be aware of what was being discussed at the Senate's meetings. The senate oversaw such things as campus elections and interpreted the laws and rules of the Student Association.

Eileen Lapour goes through the motions of casting her vote for Homecoming queen in the November election.

UNION BOARD COMMITTEES PLAN OUTSTANDING COLLEGE ENTERTAINMENT

President Joe Logan led the Union Board in presenting many outstanding programs and activities for the school year 1966-67. Earlier this fall the former Union Board was completely revised into a more efficient organization with two levels of authority, an Executive Board and a Program Council.

The Executive Board was composed of Joe Logan and three executive vice-presidents, Jack McClure, Dianna Brown, and Bob Jacobsen. The Program Council was composed of five committees.

The Recreation Committee, under the leadership of co-chairmen Phyllis Bowman and Don Robbins, arranged the Back-to-School Dance, weekend den dances with live bands, the David, Della Rosa and Brooks concert, tournament and game nights in the Union, and a special night club with the Vicar and the Deacon.

The Arts Committee, headed by Toni Johnson and Tom Frank, planned weekly den movies, numerous art displays in the Union, and the Tower Dance. Co-chairmen Bob Foster and Steve Conner of the Relations Committee made arrangements for the Christmas Formal, the annual Organizational Fair, and numerous other special activities during the year.

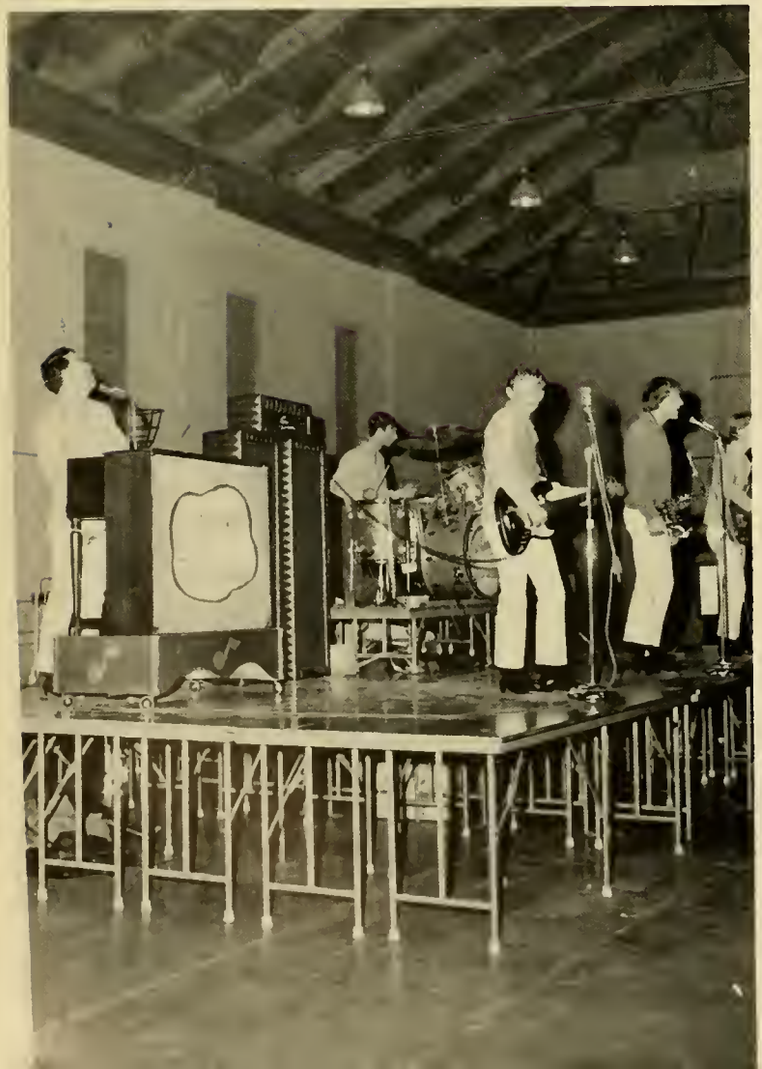

The Education Committee, with John Price and Kack Miller as chairmen, brought many controversial speakers to campus, originated the weekly "Topics of our Times" movie and speaker session concerning many interesting issues, and brought the New Christy Minstrels to the campus.

To supplement their knowledge of unions and union activities seven members attended the Region II Association of College Unions Conference at Southwest Missouri State College, Springfield, accompanied by Mr. Dan Greer, sponsor. Other sponsors are Miss Karen Licklider and Bob Dickey.

"The Dusty Road Singers" entertained students for a hootenanny.

Many new events and activities were added to the annual events sponsored by the Associated Women Students organizations. AWS is open to all girls living on the campus and one of its main activities is the Big Sister-Little Sister program where upperclassmen introduce freshmen to the campus. Highlighting this was the Coke Party open to all women students, especially freshmen.

Two new features were Dad's Day and Mother's Weekend. During Dad's Day everyone's father was honored at a football game, and a special father of the year award was given on the basis of his son's accomplishments. The mothers were invited to spend the weekend on campus. Also a Mother of the Year award was given.

Traditional activities of AWS included the construction of the Homecoming Queen's Float, the Christmas tea, Penny Night, AWS style show, and Sadie Hawkins Week.

A regular meeting involves much discussion among members.

One of the biggest successes of the year was the Big Sis-Little Sis coke party.

A hilarious highlight of the coke party was an informal "style show:" appropriate dress for every campus occasion.

AWS EVENTS

President Kay Elder involves members in active discussion.

Serious decisions concerning rules and regulations for women students and their activities call for serious contemplation.

The AWS Style Show, an annual event, gave students a fashion preview courtesy of Maryville merchants.

A tough problem meets thoughtful AWS representatives' consideration.

The Town Girls' Association, organized for college girls who live off campus, worked toward making their members feel as much a part of college life as those who live on campus. New members were welcomed through the Big-Sister, Little-Sister Program.

This year's program emphasis was geared to member participation in the social events planned for the year. Trudie McNulty represented TGA in the AWS annual style show.

Selling homemade Christmas candy was the money-making project of the year. Officers who worked to make TGA active were Kay Rush, president; Emma Black, vice president; Connie Perlenfein, secretary; Judy Cavan, treasurer; Cheryl Dowden, AWS representative; and Mary Ann Barnett, public relations.

The Kappa Sigma Cast of Alpha Psi Omega recently set up its own scholarship fund for students majoring in play production.

Alpha Psi Omega, in existence on NWMSC for 20 years, is an honorary national dramatics fraternity. This fall the fraternity began the development of its scholarship fund, which is available to any qualified student.

The fund is financed with the proceeds from the production of a play each year. This year the Kappa Sigma Cast presented "The Male Animal" by James Thurber and Elliot Nugent.

Spring semester pledges were Mary Lee Crockett, Jerry Eisenhower, John Hoffman, Marcia Hensleigh, Richard Heinz, Phyllis Zwank, and Carole Sinclair.

Alpha Psi members make plans for future productions.

The Swim Show presented in the spring was the main activity of the Sigma Phi Dolphins. In preparation for the show there were tryouts in the fall. Those who were accepted began at once to perfect their strokes, stunts, and general knowledge of synchronized swimming.

By second semester, the title "A Year With the Dolphins" had been chosen. Each routine represented an event of each month through the use of costuming and modified stroking.

Officers for the year were Reanne Johnston, president; Sondra Simons and Kerry Henry, vice presidents; Patty Chappell, secretary-treasurer; Sue Owens, publicity; and Sue Crane, historian.

Kerry Henry signals the timing of a routine.

A star sequence in the spring swim show is formed by the Dolphins.

The Student National Education Association began their 1966-67 school year with the traditional organizational fair in the fall to acquaint beginning freshmen with organizations and activities available to students.

A tour of regional high schools helped further the goals of SNEA along with educational and entertaining programs. SNEA placed first and fourth in the clown division at homecoming time with the themes of "Old Black Magic" and "I'm Gonna Learn to Read and Write."

Russell McCampbell served as vice president of the State SNEA. Members attended the Missouri State Teachers' Association and SNEA Convention in Kansas City, the Officers' Workshop in Columbia, and the Twelfth Annual Conference for FTA-SNEA in Northwest Missouri and Southwest Iowa.

SNEA members indicate points of interest at NWMSC on the campus map.

Pat Dizazzo, KDLX disc jockey, takes a break while broadcasting his program.

This year marked the second season of KDLX in the new studios at the east end of the power plant. Seen above the entrance doorway to the station is a lighted sign, a project of the club members that reminds them anything is possible at KDLX.

Last spring KDLX, sponsoring Jim "Grub" Shoning as an Ugly Man candidate, used a live broadcasting studio as their carnival booth. Making another first on NWMSC campus, KDLX began sports broadcasts from Lamkin Gymnasium. This service provided an additional boost to school spirit and student interest, two main concerns at KDLX.

Everyone affiliated with the station is also a member of the Radio Club. The club has a membership open to anyone interested in broadcasting activity. The club's roll call has increased every year as more students become aware of the station's activities. Visitors are always welcome at the studios during broadcasting hours, 7 p.m. to 12 p.m. Sunday through Thursday.

G.D.I. FORMS ON NWMSC CAMPUS

GDI, organized in the spring of 1966, came into existence for the independent students on campus as their answer for a non-Greek unified student body. The letters GDI stand for "Gestio Demptus Intrepide," a Latin phrase "to perform democracy undauntedly."

GDI is striving for several major goals such as the maintaining of representatives in Union Board, Student Senate, and student body offices; the participation of more independent members in campus activities, and the encouragement of more independent students in spirit competition. The GDI started its campaign for independent student action when members ran a Homecoming queen candidate and won second place in the open beauty float division.

Officers for the 1966-67 school year include John McAvoy, president; Alan Pruitt, vice-president; Carlene Buck, secretary; Sue Shew, treasurer; Rachael Templeman, historian; Mary Jo Jansen, reporter; and Don Baxter, Homecoming activities chairman.

NORTHWEST MISSOURIAN STAFF IMPROVES CALIBRE OF THE WEEKLY NEWSPAPER

"Depth reporting" were key words to the Northwest Missourian staff as it worked to produce a newspaper which had meaning to the students and a coverage of events in and pertaining to the campus.

Under the guidance of Mrs. T. H. Eckert, advisor, the staff made many changes to improve the layout and content of the weekly. More pictures, stories, and features were used while news stories were given depth and meaning besides the presentation of the facts.

Weekly noon-time staff meetings were held, often times at the expense of lunch, to plan up-to-the-minute coverage of Homecoming, Religious Emphasis Week, and Night on the Town. The editorial policy was strengthened and revised, and the paper published several controversial articles.

Staff members included Mary Lou Mullenax and Dale Gorsuch, co-editors; Peggy Herron and Marjorie Hitchcock, managing editors; Beverly Beeks and Fred Beavers, copy editors; Kay Weidenhaft, news editor; Roger Glancy, feature editor; Regie Turnbull, sports editor; Lynette Cole and Eugene McCombs, business managers; W. R. O'Riley, advertising manager; Doug Dickinson, makeup manager; Carl Voss, photography editor; and Joyce Jeanblanc, circulation manager.

Mrs. T. H. Eckert points out a mistake in the layout to Mary Lou Mullenax.

Staff members, Marjorie Hitchcock, Fred Beavers, Peggy Herron, and Kay Medsker look at the Friday paper while planning the next issue.

NWMSC students hardly wait for Eugene McCombs to deposit the weekly paper before they pick them up.

TOWER STAFF STRIVES FOR

Jerry Patee, co-sport editor, and Diana Jansen, first semester art editor, listen intently at a weekly meeting.

Susan Blakesley, second semester art editor, confers with Mary Potter, co-sports editor, on proof and layouts.

Few students realize the long, exhausting hours spent by the Tower Staff to produce a yearbook which illustrates what life is like on this college campus. Without teamwork, co-operation, and much determination, the 1967 Tower could never have been a reality.

Under the leadership of Nancy Boyd, editor; Mr. Howard Ringold, faculty advisor; and Dr. Frank Grube, literary advisor, the staff worked endless hours toward its final goals. Composing copy, designing layout, and creating new ideas through discussion and imagination were just a few of the tasks of the staff.

The ten members of the staff held their weekly meetings in the Industrial Arts Building, and that is also where most of the planning and debate took place. Meeting an important deadline often meant working Saturdays and evenings to make the small staff's dream a journalistic reality.

A gathering of "The Group"

Service to the campus and community was the main concern of the Men's Residence Halls Council as it carried out an intensively active program.

Projects to the campus included the sponsoring of at least one monthly dance, an extensive Christmas decorating program, open houses for "Dad's Day" and Christmas, and the sponsoring of a Homecoming queen candidate. To the community of Maryville, the Men's Residence Halls Council donated $1,000 to the new hospital project and conducted an extensive blood donor's campaign.

The men in the halls were preoccupied with the scholarship banquet and the cross-country turkey run. The banquet was held during the fall semester for students with better than average scholastic averages. Trophies worth $700 were presented. The cross-country race, sponsored around Thanksgiving, awarded a turkey dinner to the winning race team.

Uh. . .I think I lost something on that last brush stroke.

Hello, you don't know me but I've seen you and I thought maybe. . . .

Mother said I should iron all of my clothes, but this is ridiculus.

Heavy heavy hangs overhead. . . .

Hey, Roomie, so what are you planning now?

Now the girls' dorm lies ten feet from here soooo. . . .

The comforts of a scholar.

I've heard of giants in laundry detergent, but I never believed it!

Remember, only you can prevent dorm fires!

ALPHA SIGMA ALPHA HONORS MOTHERS

Several members of Alpha Sigma Alpha were proud to make their mothers honorary members of the sorority by bestowing upon them the mother patroness degree. This gave the mother of each initiate a better understanding of Alpha Sigma Alpha and its principles and a closer relationship with the members.

ΑΣΑ

Phi Phi chapter was proud to have two of the five finalists for homecoming queen, Marty Geyer and Dianna Brown. Other members were active in such organizations as Cardinal Key, AWS, Dorm Council, Student Senate, Daughters of Diana, Union Board, Tower Staff, Kappa Delta Pi, and Cheerleaders. A special honor was given to the chapter when it received the National Magazine Sales Trophy.

DELTA ZETAS ATTEND NATIONAL CONVENTION IN BAHAMAS

Mary Pettegrew, president of the Epsilon Rho chapter, attended the National Delta Zeta Convention in the Grand Bahamas with Dr. Wanda Walker, sponsor, and was presented with an award for the chapter's activities.

ΔZ

With the pledging of twenty-seven girls in the fall rush, Delta Zeta had the largest pledge class on the campus. "Anchors Aweigh" was the theme of the informal rush party. During homecoming activities, Miss Sherry Means was one of the four queen attendants.

Social activities for the year included a Parents' Day Tea, Christmas party, spring formal, spring weekend retreat, and various mixers.

Delta Zetas were active in SNEA, Cardinal Key, Kappa Delta Pi, Homecoming Committees, Pem Club, Intramural Council, Panhellenic Council, Piano Repertoire, Religious Emphasis Week Council, Kappa Omicron Phi, AHEA, AWS, UCCF-Wesley, BSU, St. Paul's Catholic Student Group, Northwest Missourian, Tower Staff, Student Senate, and Dorm Council.

PHI MU FRATERNITY VISITS BAKER UNIVERSITY

ΦM

One of the most rewarding experiences for the Zeta Lambda chapter of the Phi Mu Fraternity was its visit to the Phi Mu chapter at Baker University in Baldwin, Kansas.

On the home front, the sorority used the theme of "How to Catch a Man" for its fall rush party which resulted in twenty new pledges. Vivi Walkup served as rush chairman. For the informal party, all active members wore costumes representing different famous ladies throughout history.

Socially the activities of the fraternity included the annual Secret Santa Christmas party, spring rush, Founders' Day Tea, Family Picnic, Soup-Steak Dinner, and the Spring Formal. The Phi Mu's also placed second in the Homecoming skit division with "Dr. Goldnose and the Football Machine."

Celia Thompson was chosen Phi Mu Sweetheart for 1966. Other members were active in cheerleading, Senate, intramurals, debate teams, and various campus organizations.

SIGMA SIGMA SIGMA HAS SUCCESSFUL HOMECOMING ENTRIES

ΣΣΣ

During fall Homecoming competition, Sigma Sigma Sigma won first place for the beauty float, "Silver Bells," first place for the variety show skit, "Cinderella," and first place for house decorations with the Pink Panther in "Paws for Victory." In the parade the Tri Sigma clowns also placed in Individual and group competition.

Elaine Sherman was crowned Homecoming Queen and Peggy Wright was one of her attendants.

Preparation for the Alpha Epsilon Chapter national inspection came in December when Judy Collier, National Collegiate Chairman, worked with the chapter in planning for future local and national programs.

Other social activities of the year included a Christmas party, the Phi-Tri picnic, the pledge dance, the Spring Formal, and the Founders' Day Banquet. The Sigmas also worked to make money to send to their national headquarters and the hospital for polio victims which Sigma Sigma Sigma helps to support.

ALPHA KAPPA LAMBDA RECEIVES TWO NATIONAL AWARDS

For the third year, the Alpha Zeta chapter of Alpha Kappa Lambda received the National Executive Council award, which is given to the top six chapters of the National Organization. The chapter also received the chapter improvement award.

Among the new social functions enjoyed by the members were the candle light dinners. Other social events included rush banquets, Christmas caroling with Alpha Sigma Alpha, a chapter Christmas party, Queen of Heart's Ball, Founders' Day Banquet, Spring Formal, and Parents' Day Picnic. The Christmas dance was highlighted by the visitation of the pledge class from Kansas State University.

During homecoming, the AKL's placed second in the over-all parade competition. AKL's were active in class offices, Senate, Agriculture Club, St. Paul Catholic Student Group, drama productions, folk groups, Traffic Court, Alpha Psi Omega, Intramurals, Union Board, Tower Staff, Student Group Leaders, Marketing Club, Homecoming Committees, and Psychology Club.

DELTA SIGMA PHI TAKES MANY HONORS IN HOMECOMING

ΔΣΦ

The Delta Sigma Phi started the 1966-67 school year off quite successfully with first place winnings in the float, skit, clowns, and jalopy divisions of the Homecoming competition. The beauty float was "Madame Butterfly" and the skit was a take-off on "Oklahoma".

The social events of the year included the Sailor's Ball with the theme of "Shipwrecked" and the spring formal, the "Carnation Ball." The Delta Sigs used these dances and several rush parties to emphasize the words "social fraternity."

Delta Sigma Phi had members active in Senate, traffic court, Homecoming committees, orientation leaders, Alpha Psi Omega, People-to-People, intramurals, Beta Beta Beta, Kappa Delta Pi, and Pi Beta Alpha.

PHI SIGMA EPSILON RECEIVES NATIONAL AWARD

Officers and members of the Nu Chapter of Phi Sigma Epsilon attended the National Conclave held in Washington D. C. last summer, where they received the trophy for fourth place in national supremacy. On the campus, Phi Sigs ranked first scholastically among the fraternities.

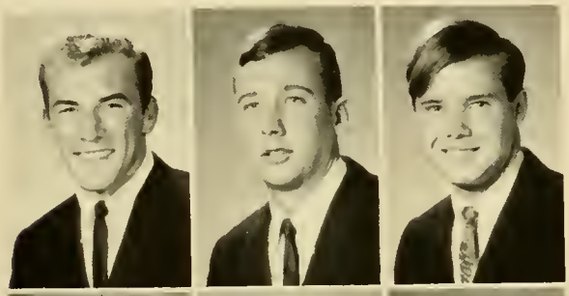

ΦΣΕ

The school year was begun with preparation for rush and Homecoming. Five pledges teamed with the active chapter to build the float and house decoration, and to produce the variety show skit. Mike McLaughlin and Don Berry starred in the skit entitled "Northwest Side Story," which tied for first place.

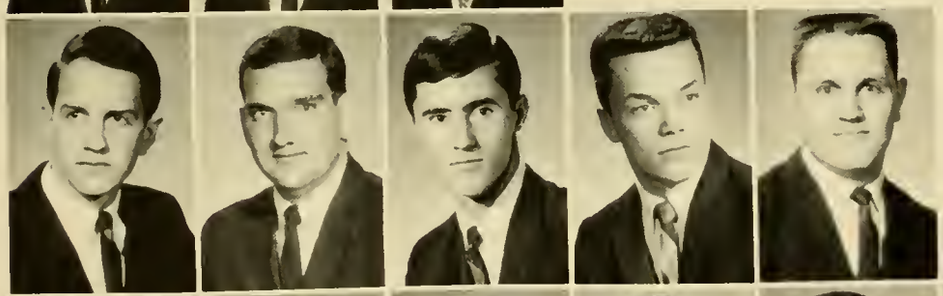

In football intramurals, three Phi Sig teams copped the first three places in the inter-fraternity playoffs. For the third consecutive year, the Zombies won the league. They also took the all-school championship.

Phi Sigs were active in the student body Senate, football team, Union Board, intramurals, music and drama groups, and many departmental clubs.

SIGMA TAU GAMMA SENDS DELEGATES TO NATIONAL PROVINCE MEETING

ΣΤΓ

The Theta Chapter of Sigma Tau Gamma surpassed all other fraternities at Homecoming with the winning of the Supremacy Trophy in the Men's division. Another boost to the fraternity was member Jerry Newman's co-chairmanship of the overall Homecoming Committee.

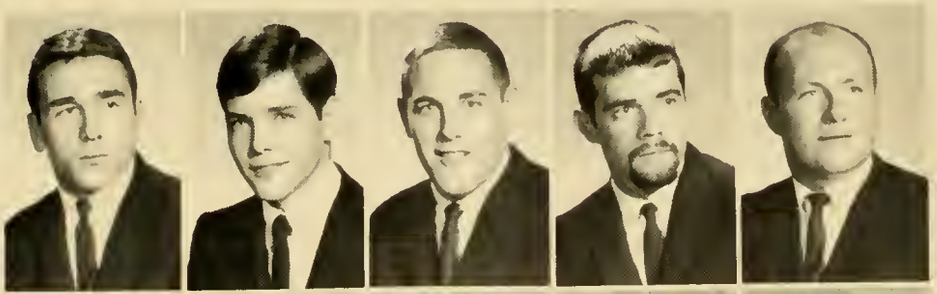

Social activities of the fraternity included Founder's Day, mixers, and the White Rose formal dance held in the spring.

Ten members of Sigma Tau Gamma attended the National Province meeting in St. Louis.

Sig Taus were active in Community Ambassadors, Blue Key, Union Board, Senate, Social Science Club, various departmental organizations, football, intramurals, basketball, softball, tennis, swimming, and wrestling.

TAU KAPPA EPSILON IS RECOGNIZED AS TOP MISSOURI CHAPTER

Aside from many campus honors, the Delta Nu Chapter of Tau Kappa Epsilon received recognition for being a top TKE chapter in the Missouri Province.

After a successful fall rush which netted the fraternity a twelve-man pledge class, the fraters turned their efforts toward intramurals. TKE support for varsity athletics earned them the possession of the Spirit Trophy for the football season.

The many social activities included the traditional Garter Party Christmas Ball, Orphan Party, Red Carnation Formal, and numerous mixers and house parties.

Members were active in campus on Union Board, Blue Key, People-to-People, Jazz Band, varsity basketball, senate, varsity swimming, Homecoming committees, and UCCF-Wesley Foundation.

DAUGHTERS OF DIANA

The Daughters of Diana, an auxiliary to Tau Kappa Epsilon fraternity, is composed of undergraduate women who have shown a sincere interest in TKE.

The Daughters, founded April 19, 1965 on this campus, were established to act as sisters of TKE's and to help in their social events. Members helped during rush week, at smokers, served as hostesses during open house, teas, parties and other social functions at the TKE house. They add grace and a woman's touch to the social events as well as to the decorations of the interior of the TKE house. The Daughters also helped to orient the new pledges and act as "big sisters" to them.

The projects of the Daughters have included such activities as making monogramed aprons and tea towels for the kitchen, ironing shirts, typing papers and sending snacks to the TKE's during final week. This year at the annual TKE Christmas dance, they presented the house with toss pillows.

The officers for the year included Marty Geyer, President; Hila Rankin, Vice President; Mary Lauhoff, Recording secretary; Carolyn Ingels, Corresponding secretary; Marsha Mundt, Treasurer; Sue Pierson, Historian, and Mary Asbell, Editor.

GAMMA SIGMA SIGMA SPONSORS NATIONAL CONVENTION ON CAMPUS

Highlighting the year for the Alpha Gamma Chapter of Gamma Sigma Sigma was its sponsoring of the 1967 National Convention in June. Delegates from 64 chapters will be attending the Convention. Rochelle Burton was the convention coordinator.

"Unity in Service" best describes its projects such as publishing the student-faculty directory, leading tours of the campus, selling Homecoming mums, collecting materials to send to servicemen in Viet Nam, sponsoring a Korean Orphan, typing for the United Fund, and helping with Tower pictures.

Working jointly with Alpha Phi Omega, Gamma Sigma Sigma sold concessions at football and basketball games and had a book fair in the spring. Social events included a Founder's Day Tea, Alumni Tea, Parents' Day, and rush parties.

Beginning a new tradition, the fall pledge class was named after Mr. Murl Long, who was instrumental in the formation of GSS at NWMSC.

Gamma Sigs were active in Tower, Book Club, Cardinal Key, Kappa Delta Pi, Pi Gamma Mu, Wesley Foundation, SNEA, on Homecoming Committees, and as residence hall counselors.

ALPHA PHI OMEGA EMPLOYS SERVICE AS ITS PROGRAM

The men of Alpha Phi Omega, the only national service fraternity on campus, once again used leadership, friendship, and service as their cardinal principles for the twenty-seventh consecutive year.

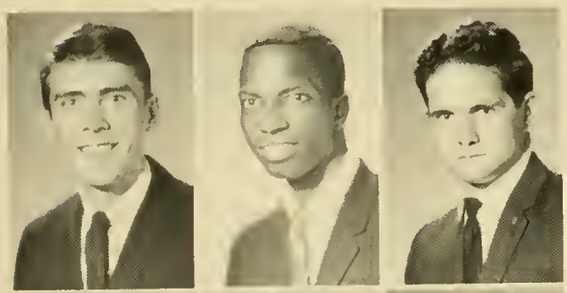

The highlight of the year was the annual "Ugly Man" contest sponsored to raise money for the Student Loan Fund. Approximately $2,000 was raised which the government matched 9-1. Other service projects by the fraternity included: campus tours for newly registered freshmen and interested parties who visited the campus; ushering at school events; assisting handicapped students to and from classes, and checking coats at major campus social dances.

Working in conjunction with Gamma Sigma Sigma, APO's activities included operating concession stands at games and sponsoring the Book Fair.

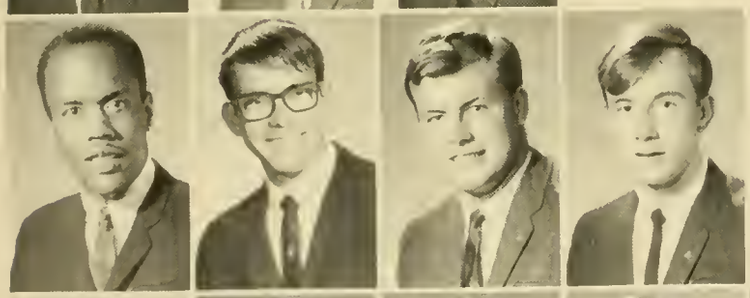

Social activities were keynoted with a fall mixer, a Christmas party, spring formal, and several mixers with Gamma Sigma Sigma, as well as banquets at Thanksgiving and Christmas.

THE EXPERIMENT IN INTERNATIONAL LIVING

Although the Experiment program was founded in 1932, Northwest Missouri State participated for the first time last summer by sponsoring two college ambassadors to Mexico and Canada. Besides the ambassador program, The Experiment in International Living also consists of inbound programs; outbound work-study and independent study projects, regular experimental groups, and special programs; and an intensive language study program. These programs send representatives to countries encompassing the world.

MSC's college ambassadors were chosen by a student-faculty committee. After applications and recommendations were received, the committee studied the applicants' qualifications based on personal traits, interest in the country to be visited and in world affairs, academic achievement, campus activities, and physical fitness.

Mary's Experiment in Mexico began with a four-day orientation period in Laredo, Texas, where Experimenters were prepared for the worst. From Laredo her group, which consisted of nine girls and a group leader, traveled to Querétaro, Mexico. She spent the first four weeks of her Experiment living with a Mexican family. One of the most frustrating problems during her homestay was communication, as her family did not speak a work of English. The second month of Mary's Experiment included an informal trip covering the central and southern areas of Mexico, which enabled the experimenters to see the great variety of features and customs that make Mexico such a land of contrasts. A week-long city stay in Mexico City concluded her Experiment.

Mary realized the versatility of an Experimenter as she spent a leisurely afternoon at the country club pool one day and then took a 15-hour ride on a second-class bus the next. During the summer, Mary lived by the Experiment's motto—"Expect the Unexpected!"

MARY POTTER

Nancy's Experiment in Canada involved a seven-week homestay, working as a volunteer counsellor in the Negro Community Centre day camp for underprivileged children in Montreal, and a week of traveling.

She spent a three-day orientation session at the School for International Training in Putney, Vermont, where preparations included a ten-mile endurance hike and intensive discussion periods.

Nancy's "second family" lived in Préville, a suburb of Montreal near the St. Lawrence River, where a common sight was the huge freighters channeling through the Seaway. In implementing the Experiment motto, "Expect the Unexpected," Nancy learned new customs, tasted delightful meals in the cosmopolitan blend of English and French styles, observed the interactions of many cultures and races living closely together, and learned the importance of understanding betwen the U. S. and its world neighbors.

Although Nancy lived in a British home, she was able to use her French in downtown Montreal and on her week's trip to Quebec City, which concluded her Experiment.

An unusual highlight of the summer came after the trip to Quebec City when her parents met her in Montreal and were introduced to the family with whom she had stayed.

Pat Noah is faced with indecision as cheerleaders discuss spirit trophy points.

Each summer the college sends the varsity cheerleaders to a clinic where they learn new cheers and cheering techniques. This summer they spent a week in Dallas and ranked 3rd in competition out of 35 colleges.

Four freshman cheerleaders are chosen in the fall by one representative from each organization on campus, and in the spring six varsity cheerleaders are elected in the same manner. Elaine Sherman and Pat Noah were head cheerleaders for this year's squad.

BEARCATS REGAIN HICKORY STICK

One of the highlights of the 1966 football season was MSC's victory in the Battle of the Hickory Stick against Kirksville. The rivalry started in 1931 when the stick was given to Kirksville to keep until we defeated them. Only nine days later the Bulldogs were forced to give it up after we had defeated them 7-0. For the past 11 years, Kirksville has held onto the stick, but not without competition from the Bearcats.

In 1958, they missed taking the coveted stick by only one point, and the next year the Bearcats came even closer with a 12-12 tie.

As in the past, Kirksville was favored to win this year, but Lonnie Hagan, Joe Spinello, and Ed Byron were out to give the Bulldogs a tough game. Spinello scored three touchdowns, and Mickey Thompson came up with a field goal in the last minute of the game to break a tie and win 24-21.

MIAA–placed 3rd

AFTER ELEVEN-YEAR BATTLE

But the next week in the game with Cape Girardeau, ironically enough, the Indians scored a field goal at the end of the game to defeat the Bearcats 24-21!

MSC's glory in the Hickory Stick Upset overshadowed its loss in the game against Springfield when two fumbles and two pass interceptions gave Springfield a 20-7 victory.

The Bearcat team, finishing the season with a 4 won-5 lost record, consisted of many outstanding players. Jim Blankenship, senior co-captain, and Lonnie Hagan were often named outstanding offensive and defensive players respectively. Bob Albanese was named the only MSC all-league star. This is the second time he has held a position on the all-MIAA team.

CALIFORNIA TRIP HIGHLIGHTS OPENING OF SEASON

Coach Dick Buckridge and his assistant, Robert Iglehart, plan strategy for the next quarter.

MSC's basketball team coached by Dick Buckridge, experienced a successful start by traveling to California and defeating Southern California College twice. But competition back home appeared to be tougher when the Bearcats lost their first home game against Pittsburg, Kansas State Champions.

With Ron Howitt, Mike Simon, Roger Nelson, Bob Tonnies, and Jim Vollmuth being the only returning lettermen, Coach Buckridge was banking on the team's speed and height rather than its experience to pull through the season successfully. However, the Bearcats lost most of their conference games. Warrensburg and Springfield both defeated them twice. But the Bearcats had some compensation in their loss to Washburn. Springfield had defeated the Bearcats badly and Washburn had beaten Springfield, but yet the Bearcats just about defeated Washburn. Through a deductive process it was reasoned the MSC's team could be matched with Springfield. Before the game with Washburn, Buckridge stated, "Washburn should be as tough as the Springfield team. . . ."

The Bearcats ended the season with a 7-16 record. Don Sears, a new freshman recruit, and Roger Nelson were leading scorers, and Mike Simon led with rebounds.

BASKETBALL CANDIDS

At the end of the basketball season, cheerleaders were presented letters and awards for their outstanding work during the year.

FIRST ROW: Terry Hartley; Dennis Bunch; Earl Baker; Wayne Garcia; Bill Freese; Corky Crandall. SECOND ROW: Mel Wielend; Paul Stehman; Ron James; Stan Zeamer; Bill Rex; John Zeiger. THIRD ROW: Harvey Hallum; Al Packer; Gary Grimes; Richard Downing; Bill Mueller; Tom Paulsen, Al Borkowski; Dale Palmer; Doug Minnick; Jerry Landwer, Coach; Gary Collins, Assistant Coach.

WRESTLERS MAINTAIN SUPERIOR STANDARDS THROUGHOUT SEASON

Although Tom Paulson was out of competition during the first part of the season, he recorded the fastest pin of the season with 37 seconds in his first match.

The superior quality and ability of MSC wrestlers, under the guidance of head coach Jerry Landwer and assistant coach Gary Collins, was demonstrated again this year by a long list of titles and records.

The team was composed of many veterans with the appearance of new freshmen fitting into team places. Returning lettermen were Ron James, Jerry Mason, Gary Grimes, and Paul Stehman with seniors Ron James and Jerry Mason team co-captains. James and Allen Borkowski were returning conference champs. Landwer said that the freshman team was the best since the 1962-3 season. Freshman wrestlers such as Stan Zeamer, Corky Crandall, and Wayne Garcia validified Landwer's statement.

The team won the Graceland Tournament again this year for their 8th consecutive victory. At this tournament, Ron James received the outstanding wrestling award. He has won the Graceland Invitational Tournament three times. The Bearcats also won the All-Missouri Wrestling Tournament held at Springfield. All of the six MSC grapplers in the finals won their weight classes.

This year the MSC team hosted the First Annual Northwest Missouri State College Invitational Wrestling Tournament. Eight teams participated in the tournament, and the Bearcats won with 81 points. Freshman Stan Zeamer made the most impressive win, tied for outstanding wrestler award, and received a standing ovation, only the third ever given in a meet.

Ron James, winner of the Outstanding Wrestler Award at the 1967 MIAA Conference Tournament, maneuvers to get a hold on his opponent.

Although they suffered a loss at the hands of Iowa State University, the Bearcats made a good showing in their matches against Missouri University and Nebraska University of the "Big Eight." After losing the first three matches in the M.U. meet, the Bearcats rallied and defeated them 24-9. Their victory over Nebraska was close with Al Borkowski's match determining the final 16-14 score. In the Nebraska meet, Ron James broke his own season point record, scoring 87 points.

Completing their dual meet season with a 12-3 record, the Bearcats added the final touch to their outstanding record by hosting and winning the MIAA Conference Tournament.

James wins another match to boost his own season point record past his previous score.

Although under close observation, Stan Zeamer tied for the Outstanding Wrestler Award at the First Annual Northwest Missouri State College Invitational Wrestling Meet.

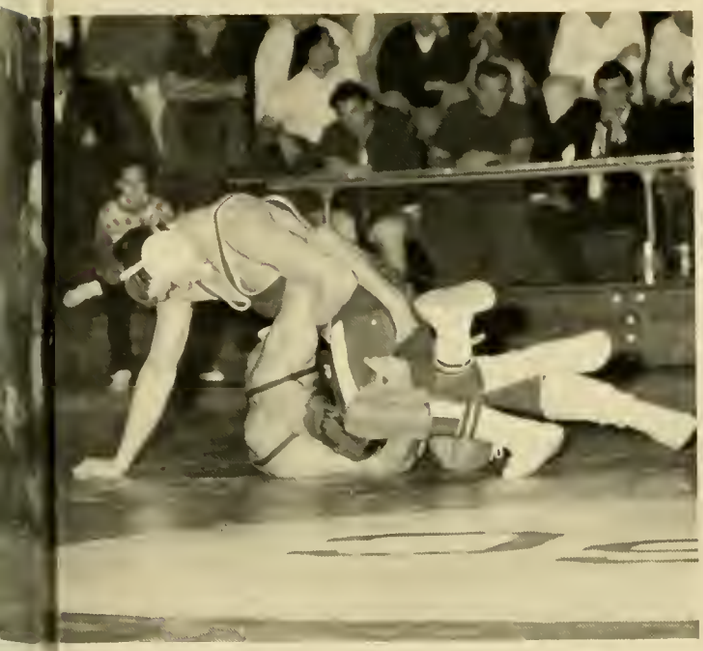

Al Borkowski won the match that determined MSC's victory over the University of Nebraska.

Returning sophomore letterman Paul Stehman folds his opponent to win his match.

Returning conference champion Al Borkowski keeps his opponent up in the air.

An intricate maze of arms and legs result in another victory for Ron James.

Winner of the Graceland Tournament for three consecutive years, Ron James holds down another opponent.

Teammates greet Paul Stehman as he comes off the mat.

Winner of the All-Missouri Tournament at 191, Borkowski skillfully applies another hold.

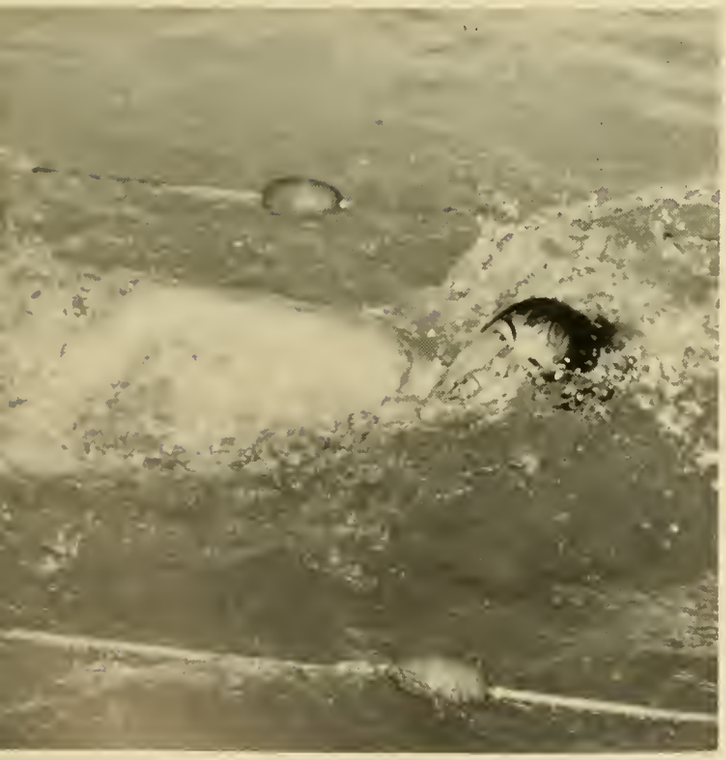

Coach Landwer congratulates Stan Zeamer, a freshman from Elizabethtown, Pennsylvania, on another outstanding match.

FIRST ROW: Lewis Dyche, Coach; Fred Kester; Bill Farrand; Mike Scott. SECOND ROW: Mark Thomas; Robert Puck; Bob Kosunski; Jay Milk. THIRD ROW: Linn Jones; John Clover, Randy Hansen; Steve Connor; Jerry Peirce.

STRONG SWIMMERS PRODUCE GOOD SEASON FOR MSC

John Clover, who set several conference freestyle records, was judged best swimmer at the MIAA Conference Meet.

Four returning lettermen—Steve Connor, Jerry Peirce, Randy Hansen, and Mark Thomas— along with several promising freshmen headed Coach Lewis Dyche's team through a successful season.

MSC defeated Warrensburg, considered a big contender, and won the Springfield meet by a large margin. In the last dual meet of the season, the Bearcats won all but 3 out of 12 events against Southeast Missouri State.

The team's scoring record was impressive with several new records. In the William Jewell meet, seven new meet and pool varsity records were set. Randy Hansen broke the school record for the 160 yd. individual medley. In the MIAA Conference meet, in which the Bearcats placed second, outstanding freshman John Clover won the best-swimmer-of-the-meet award by setting three conference freestyle records.

Coach Dyche congratulates Fred Kester and Linn Jones after the 1000-yd. freestyle, a new event added to competition this season.

Returning letterman Steve Connor set a new school record in the 100-yd. butterfly at the MIAA Conference Meet.

Bearcat diving ability is demonstrated by this MSC tanker.

Bill Farrand and Jerry Peirce gain distance in their dive for the 60-yd. freestyle.

Lou Mooney at Bat. Hit!

Defeats Double Victories in 9-18 Record for Baseball Team

Positions are tense as Lou Money is poised for the pitch.

Although positions on the 1966 baseball team were held by eight returning lettermen, the season proved to be a tough one for the Bearcats. Dick Holcomb, one of the team's captains, was the top returning hitter with a .345 average. At the end of the 1966 season Gary Shaw, the other team captain who was selected as most valuable player by the squad, led the team with a .269 batting average.

After seeing his team in action, Coach Burton Richey reported that the pitchers, Scotty Kurtz, Vic Mitchell, and Doug Girling, were pitching above average but that the hitting needed improvement. Later in the season the team showed improvement at all positions, especially in hitting average.

However, more improvement was needed for the team to make a good showing in their first competition in the new MIAA Baseball Conference. The team tied for second in the Northern division.

Not one error escapes Coach Burton Richey's eyes.

Scotty Kurtz completes one of the pitches that earned him top ERA with a 1.66.

Bob Albanese's arm goes into full swing as he bats.

Infielder Wayne Vierk approaches first to complete one fourth of his journey around the bases.

Top returning hitter Holcomb skips over third as he races around the diamond.

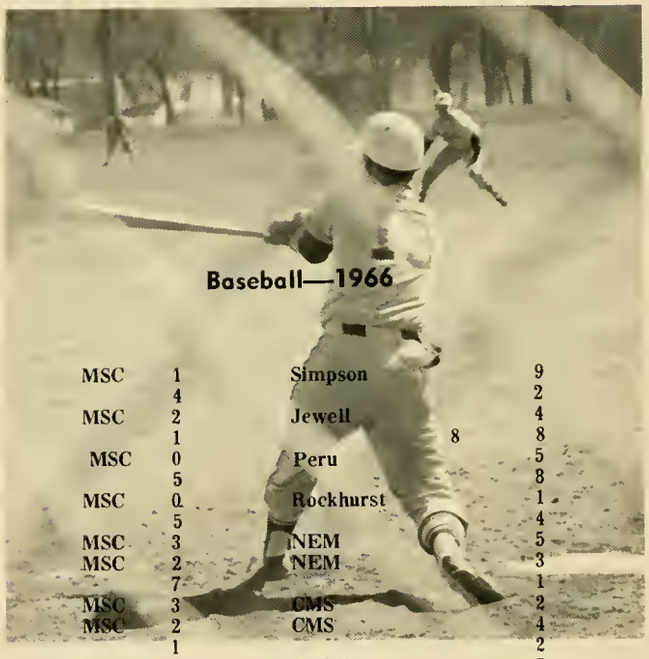

Second is rounded by Gary Shaw, the team's top hitter for the season.

In the dugout, all eyes are on the action on the field.

Shaw steals home with Mooney at bat.

RUNNERS OPEN SEASON WITH HOT START

BUT COOL DOWN FAST

FIRST ROW: Lewis Garrett, Kent Kavanaugh, Roger Stucki, Dave Rowland, Tom Sterrett, Richard Swaney. SECOND ROW: Coach Ryland Milner, James Kemp, Normal Howlett, Danny Reed, Lynnard Phipps, David Hays, Pete Meindertsma.

A sound victory over Creston Junior College opening the season for Coach Milner's cross-country runners was the result of rigorous 6½ mile practice runs. But in their second meet results were switched when Peru defeated the Bearcats 50-15. However, MSC's running times were improved over those made at Creston. Roger Stucki, considered lead man on the team, reduced his time by almost a minute at Peru with 17 minutes 49 seconds.

In addition to three returning lettermen, Roger Stucki, Kent Kavanaugh, and Danny Reed; twelve non-lettermen ran cross country for MSC. Of the non-lettermen, Lynnard Phipps, Lewis Garrett, and Thomas Sterrett earned letters at the end of the season.

NEW SCHOOL RECORDS

Gary Hansen, 1965 Iowa State High School Champion, set a new discus record for MSC with a 142 ft. throw.

The team made a good showing in the Graceland Invitational Relays by placing 2nd in 21-team competition. Going into the MIAA indoor conference meet, in which Pete Hager led the team to a 4th-place position, the team held a 7-1 record in dual-triangle competition.

A division of the 35-man team was made to insure participation in all events. Gary Hansen, 1965 Iowa State High School Champion in discus, set a new school record for MSC. Another school record was set by Pete Hager when he ran the 100-yard dash in 9.6. Pole vaulters, John Allred and Jerry Grant, set new school records by clearing 13 feet. Running events were led by Kent Kavanaugh, Normal Howlett, Pete Hager, and Phil Frahm. Joe Peirce participated in the triple-jump event, and Nick Edwards threw the shot put. Toward the end of the season, Howlett and Hager were vying for first in total points.

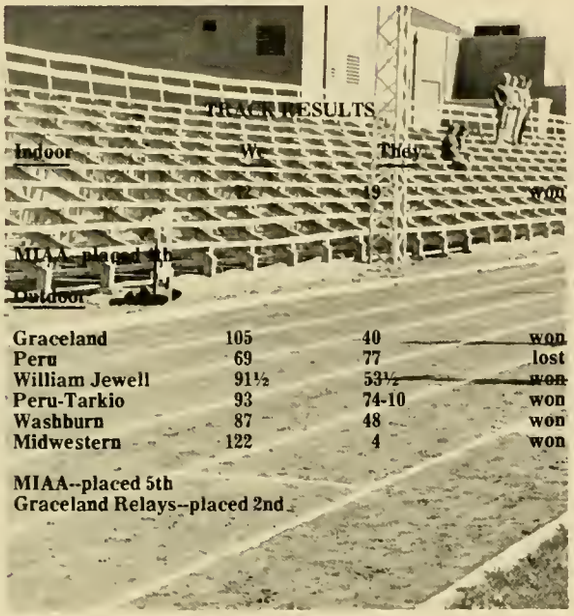

Freshman pole vaulter, John Allred, topped the bar at 13 feet to set a new school record.

Pete Meindertsma strains until the last inch in the 880-yard run.

SET BY 1966 TRACK SQUAD

Perry Courtney gains an unusual perspective as he clears the high jump bar.

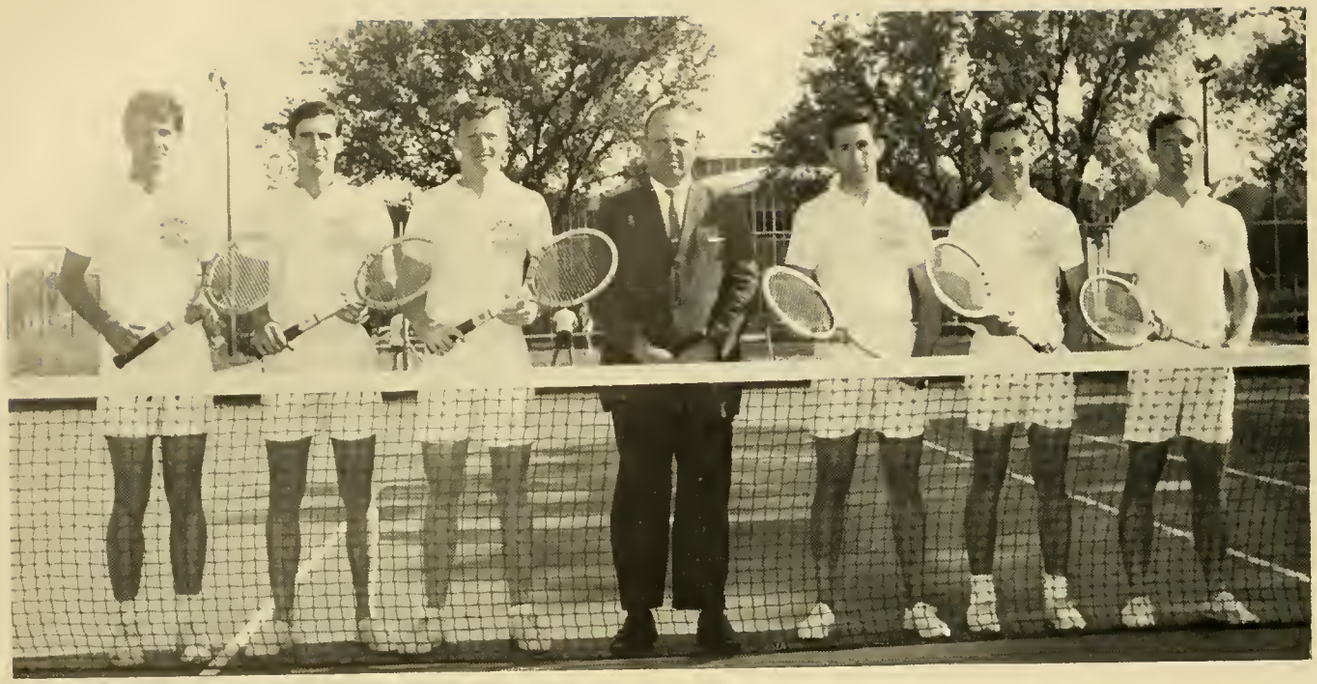

Nick Edwards was undefeated this season in shot-put.

Normal Howlett, whizzing to the finish line, runs the 100-yard dash in 9.8 or better.

1966 MSC netters were: Warland Griffith, Jim Crozier, George Varchola, Coach Robert Gregory, Bob Schilling, Dick Schilling, Jim Schilling.

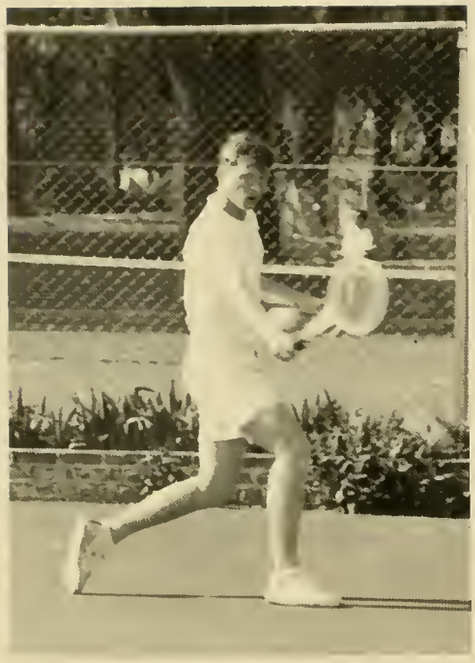

Tennis Team Has Sporadic Season

Left-handed Bob Schilling stretches for a serve.

Number one man on the team and team captain was Jim Schilling with his brothers, Dick and Bob, giving strong support. George Varchola, a freshman, was considered the most consistent player. Although Jim Crozier and Warland Griffith didn't play the whole season, Griffith won all five of his single matches.

Over the Easter holidays, the team suffered a pioneer road trip losing five straight matches to exceptional southern opponents. And the Kirksville Invitational Tournament, held April 15 and 16, resulted with the Bearcats placing 4th. However, the MSC netters were ready for the MIAA Conference Tournament that closed the season. The team placed third in the Tournament ending a season which was an improvement over that of last year according to Coach Robert Gregory.

Top man on the southern road tour, George Varchola, whips a backhand return across the net.

Dual Meet Record Best in History

Larry Maiorano is in fine form after he tees off.

Northwest Missouri State finished its golf season with an 11-2 dual meet record, the best in MSC history.

Boosting the team to its success were four returning lettermen: Don Belinger, Don Peterson, Jerry Hanson, and Jerry Robey. Belinger headed the team by earning medalist honors in most of the dual contests. Also adding their support to the team were four newcomers: Dennis Kaupp, Larry Maiorano, J.B. Watsabaugh, and Bob Kline.

The Bearcats took 5th place in the MIAA Conference Tournament held in May at Springfield. Belinger, number one man, was the most consistent player of the year while Peterson led in team points.

Another first in the team's history occurred this season when seven team members received letters, the largest number of men ever to letter in one season.

SPIRITUAL

DEPTH

In order to better understand ourselves and our roles in life, each of us seems to be searching for an inner peace. Through the depth of spiritual insight, many students find this peace. The search is a very personal one and often a very long one; but when the discovery has been made, it provides us with a perspective on living which shall never be surpassed.

Centering around four main areas of recreation, service, study, and worship, the Liahona Fellowship of the Reorganized Church of Jesus Christ of Latter Day Saints planned its activities.

Social events included a hayride and wiener roast, a trip to Conception Abbey, and a Christmas trip to see Handel's "Messiah." Students participated in many worthwhile projects such as a Vietnam Christmas package, service projects for the regular congregation, and a Christmas program.

"Our Concept of God," was the theme of study meetings held once a month. Besides the regular Sunday night cost suppers, early morning prayer services were offered once a month. The officers of the Fellowship attended a fall leadership workshop held in Independence, Mo. A spring regional conference was held in Warrensburg.

The Baptist Student Union demonstrated its concern for man in its college year. Various projects of the BSU included a visitation of local Nursing Homes and the State Hospital in St. Joseph. Along with student revival teams which made tours to different churches in Iowa and Missouri, the BSU choir, under the direction of Greg Watkins, performed for adult congregations.

Some of the more informal activities included third place winning of the Homecoming house decoration contest portraying "God Bless America," weekly prayer breakfasts, discussion groups, and a semi-formal spring banquet held during the academic year.

Six members of the group attended the Southwide Baptist Student Week at Glorieta, New Mexico. Seventeen of the members attended the State BSU Convention in Columbia, Mo., the Spring Retreat, and Planning Session at Windermere Baptist Assembly in the Ozarks.

SECOND ROW: Judi Weathermon; Amy Bradfield; Eugene Turner; Gerald Antes; Joubert; Sandy Slater; Donna Ring; Larry Peterson; Ron Linn Lisbona; Leslie Swaney.

A historical first was achieved on the NWMSC campus as the UCCF and Wesley Foundation united to form the UCCF-Wesley Fellowship. The two groups, now one, met in the Wesley Foundation Building throughout the year to produce an outstanding program of fun, service, and fellowship for all students on the campus.

Beginning the school year last August, several members with Ray Gass, campus minister, journeyed to South Dakota to attend a regional conference. "The Revolutionary Imperative" was chosen as the over-all theme of the year.

Two of the main projects undertaken by the Fellowship were the creation of the coffeehouse "Eclipse" and the establishment of the Cutting Edge, a newspaper of the concerned students at the Fellowship working to combat apathy among students on the campus.

The "Eclipse" cast its shadow over many students of the campus as it became a popular place on Friday nights to communicate with other students through dialogue and the fine arts.

Ecumenical seemed to be the guiding word the entire year as several projects were planned with the St. Paul's Catholic Student Group and a social was held with the BSU.

Social events of the year included a barbecue, a Christmas party for the international students, and hootenanies. Programs consisted of films, panel discussion, and outstanding speakers such as Dr. Frank Grispino who lectured on "How to Cheat your Way Through College."

Members of UCCF-Wesley are intent upon a theological discussion during Religious Emphasis Week

IN RECOGNITION

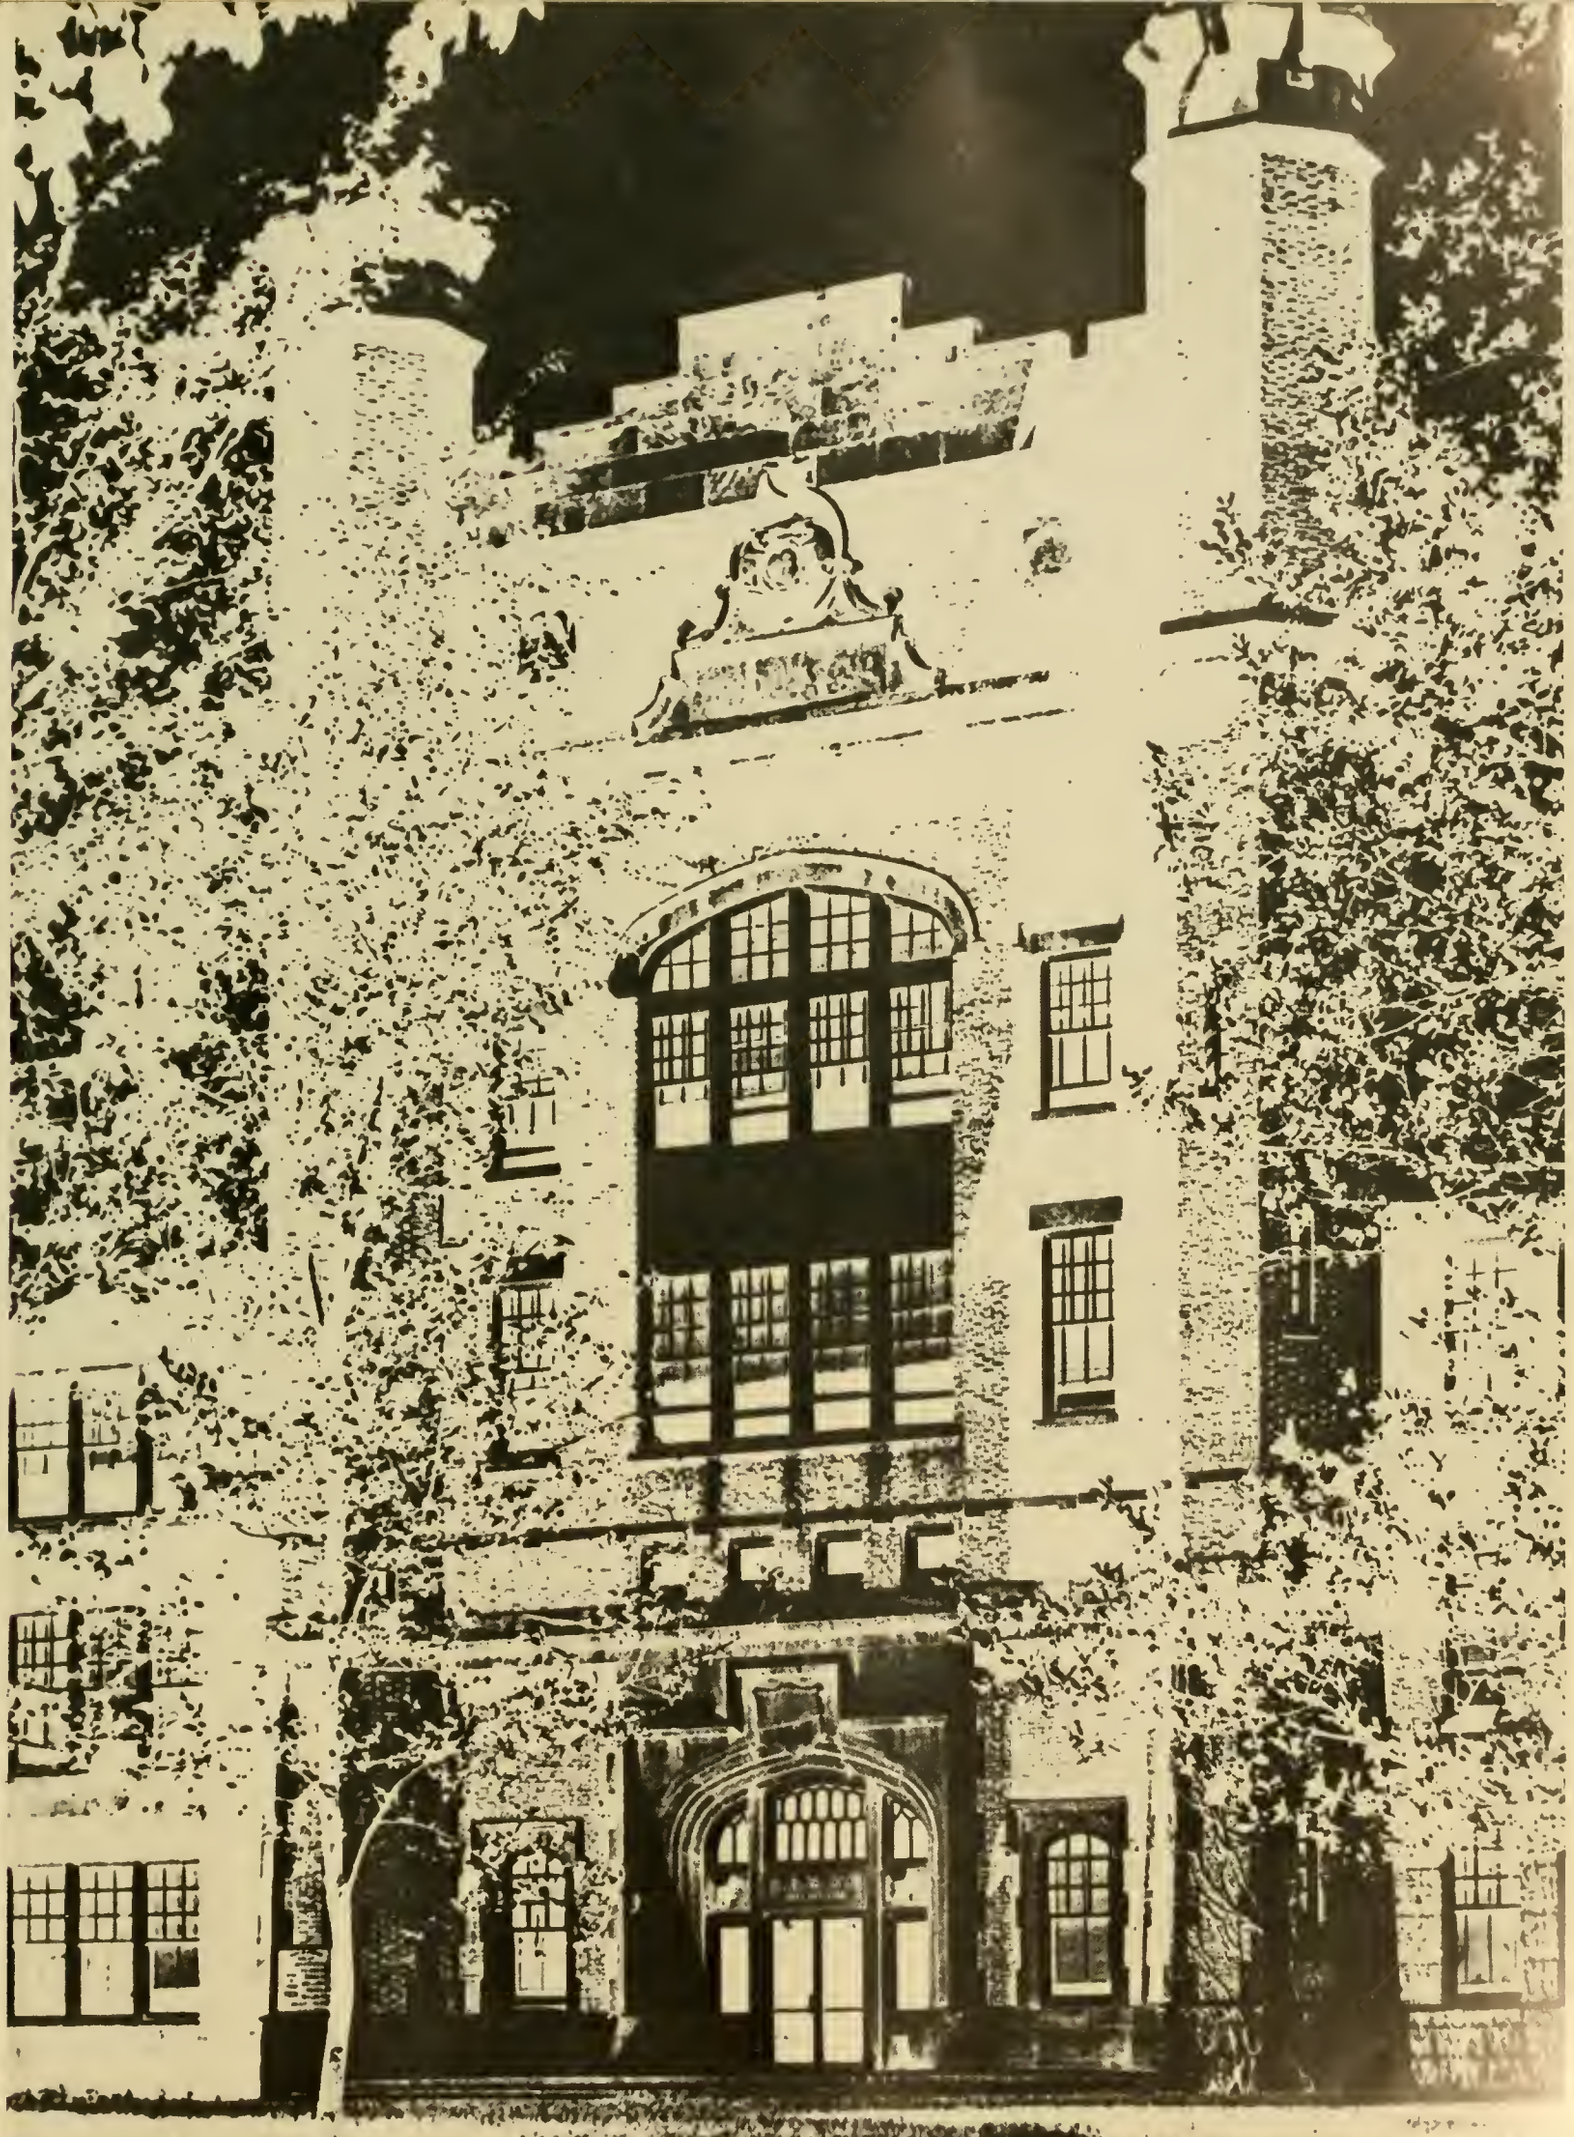

Doctor Joseph Antone Dreps, present Chairman of the Department of Foreign Language, will retire at the end of this school year.

Born in Hustler, Wisconsin, Doctor Dreps attended the University of Wisconsin where he majored in French and Spanish and received his B.S. degree in 1921 and his M.A. degree in 1922. In 1931 he earned his Ph.D at the University of Iowa.

In 1943, after teaching at various state universities, Doctor Dreps came to Northwest Missouri State College where he has served as Advisor to Foreign Students, Advisor to People to People, and host to the language teachers who attended the District Teacher's Meeting this October.

Doctor Dreps is a member of the Missouri State Teacher's Association, the National Education Association, the Midwest Modern Language Association, the Modern Language Association of America, the State Language Associates, and the American Associates of University Professors. Also active in civic affairs, he is a member of the Maryville Rotary Club.

TRIBUTE

Time they say will heal all wounds,
But still the memory is brought to mind
By familiar sounds and sights unseen
Evermore to haunt and nevermore to find.

Never dimmed, the memory of the sun
    Casting its last rays
And the wind murmuring sadly
    Through the trees,
And the one lone rose in final tribute,
    Bending with the breeze.

Doctor William A. Lafferty, professor at NWMSC since 1949 and Chairman of the Department of Mathematics for the past ten years, died October 9, 1966, after a long illness.

After receiving his B.S. degree at Moreset Union College in 1928 and his M.A. degree at Ohio State University in 1929, Doctor Lafferty started his teaching career. Continuing his formal education, he earned his Ed.D degree at Columbia University, New York, in 1956.

Doctor Lafferty was always interested in campus and community affairs. He was a member of the Missouri State Teacher's Association, the Committee on Teacher Education, the State Curriculum Committee for Math in Public Schools, the National Education Association, the National Council of Mathematics, and the Mathematical Association of America. Doctor Lafferty was also an elected member on the Faculty Council and for many years served at Homecoming as the chairman of the committee responsible for feeding the visiting high school band members.

Sincerely dedicated to teaching, Doctor Lafferty was always willing to talk to students and spent many hours in conference with those having difficulty in mathematics. These students and faculty and administrative staff members mourn his passing.
